AQUAREVO'S
LAST 5
HOMESITES

A 7-Star Revolution

The Ecorevo Release is a new collection of Aquarevo homesites dedicated to 7-star energy rated homes.

By choosing Ecorevo land, you're choosing to build a high-quality, attractive and sustainable home that gives you maximum comfort and minimum running costs year after year.

These homes set a new standard for sustainable living at Aquarevo, creating a legacy and positive change for the future.

LYNDHURST'S LAST NEW LAND

Ecorevo Release 5

The last opportunity to purchase in this exceptional community has arrived.

Ecorevo, Aquarevo's final stage, is now selling and just 5 lots remain.

The best has been saved for last, with this selection of homesites offering a choice of location and orientation. Sizes present excellent building opportunities and are suited to a range of 7-star home designs.

EVERYTHING AT YOUR DOORSTEP

Community Amenities

As well as a beautiful home, you'll also be enjoying your ideal location.

Located in the established suburb of Lyndhurst, Aquarevo offers doorstep access to Marriott Waters Shopping Centre, Lyndhurst Primary & Secondary School and Merinda Park & Lynbrook Stations.

Residents can also enjoy the abundant wetlands and parks both on their doorstep and throughout the nearby Marriott Waters Recreation Reserve.

7-STAR SUSTAINABLE LIVING

Your final chance to buy
& build new

Nowhere else in Lyndhurst offers you the opportunity to buy new land to build the home you've always wanted.

Select your land and, when ready to build, the choice is yours. Create a 7-star home with your preferred builder or take your pick from Ecorevo's range of 7-star home designs created by leading builders.

BONUS OFFER*
RECEIVE A 5kWh BATTERY WHEN YOU PURCHASE AT AQUAREVO!

28 Boland Drive, Lyndhurst Mel Ref 129 B6
Call 9684 8113 | aquarevo.com.au

Particulars herein are for information only and do not constitute any representation by the vendors or the agent. Prospective purchasers should check all measurements in the contract of sale prior to purchase. *Energy savings as advised by Bristle Roofing. Potential bill reduction when you combine the required 3kW solar PV system with the bonus 5kWh battery. Saving calculations are based on the average energy use for a four person house in Victoria with electricity rates of 26.43c/kWh and export rates of 11c/kWh. Average sun hours after losses is assumed to be 3.8 and average number of cycles per day for battery is 1.7. Offer is for a limited time only and applicable to new Aquarevo purchasers as of 1 May 2018. [^]This is compared to the average household & without any rainwater or recycled water.
