”

WELCOME

Welcome to the first official newsletter for One Early Learning Clyde North

Thank you to Clyde North & the surrounding communities for your warm welcome. We are very grateful you have recognized that our high-quality learning environments will assist your children to reach their full potential.

Everything we do at ONE EEG is in service of producing educated thriving children that are school ready. Our educational experiences are well thought out, fun and allow learning to take place within the children's interests.

Our sort after Exclusive Learning Programs are available to all ages at no extra cost.

Come and see the Children's Library & Restaurant within the Centre.

Enrolments & Tours

The Centre will be open for tours & to collect enrolment forms on Monday 30th December 2019. Call Elise Hooper on 8751 8034 or email: director.clydenorth@onelearn.com.au

Expected Opening

The Centre is ready to open now! We are just waiting on a visit from the department to license the centre.

At this stage we hope to Open Mid-January. We will communicate more on this in the coming weeks.

LONG DAY CARE & KINDERGARTEN

ALL ABOUT ONE EARLY EDUCATION

What can we tell you about the centre?

Our new State of the Art, Education based Early Learning Centre is the flagship centre within our expanding group of High Quality Early Learning Centres. Complete with a dedicated Restaurant for children where our nutritious food is served. We also have a Children's Library within the Centre. Our seasonal menu is designed by one of Australia's top nutritionist. We serve all the favorites like Spaghetti Bolognese but also highly nutritious Quinoa, Cauliflower Rice and so much more to ensure children's energy levels are consistent giving them the best opportunity to learn and grow to their optimal potential. We recognise how important nutrition is – we understand nutrition is the foundation for optimal Brain Development.

We are proud to share, that based on the feedback we have received to date, our Clyde North Centre with its architecturally designed playscapes & building is likely to be regarded as one of the most preeminent Early Learning Centres in Victoria. Our creative playscapes are designed to optimise children's cognitive, spatial and gross motor skill development.

What type of environment do we create for children?

Internally the environment is fresh, light filled and State of the Art, giving children the best chance to be appropriately challenged and develop optimally. Research tells us that an uncluttered environment is important to maximize children's learning and development. Children thrive within ONE's environment because combined with our proprietary Brain Development Program and Enrichment Programs they have the very best chance of developing to their full potential.

Outside, our playscapes are brilliantly fun, creative and adventurous, they are designed to optimize children's cognitive, spatial and gross motor skill development.

What's special about the programs on offer at ONE?

We have several proprietary programs that assist in children's development. Our Seasonal Menu is unmatched, our menu is designed by one of Australia's top Nutritionists. We choose to heavily invest in nutritious food because we understand children need the very best nutrition to develop optimally. Our proprietary Brain Development Program and various Enrichment Programs give children the very best start in life, making them as school ready as possible.

How many children will Clyde North cater for and how do families enroll?

We have had an overwhelming response from the Clyde North community who are seeking the very best start for their children. Some rooms are almost at capacity. Our centre caters for a maximum of 122 children per day. To enrol book a tour 03 8751 8034 or director.clydenorth@onelearn.com.au

What type of educators does One Early Learning Group strive to employ?

We are very selective who we employ. We employ the best of the best at ONE. Our executive team select high quality Educators to ensure the children at ONE receive the very best education. Our educators are passionate about Education and are committed to producing Thriving Children.

To find out further information or Book a tour contact us on 8751 8034

ONE Infant

Children seek to make meaning of the world from the day they are born. We are honoured with the responsibility of nurturing and caring for your baby.

ONE Toddler

The amazing toddler years. With independence emerging we marry our empathy and intuitive understanding of children with a deep knowledge of how they develop.

ONE Pre-Kinder

One recognise this is the time for children to move from toddlerhood to childhood and is an important time in their emotional development. Your child will really start to understand that their body, mind and emotions belong to them as they start to know the difference between feeling happy, sad, afraid or angry.

ONE Kinder

Our goal is to prepare the next generation to succeed in life. Key to this is teaching children how to think critically and solve problems. Our Kinder program will give your child the best possible preparation not only for school, but for life.
