

Urban Futures

2020 Photo Competition

Life in 2020 has looked very different. We have all seen the necessity of place shift throughout the year, with movement restrictions being introduced, a very housebound lifestyle and a new appreciation for exercise. We want to know how your appreciation of space has changed in 2020, by photographing **A place I am grateful for.**

Show us your place for a chance to win up to \$300

Is it somewhere you can't wait to return? Somewhere that's become more important? A place that's gained a new meaning? Or somewhere you seek relaxation amid all the crazy.

How to enter

Post your photo on Instagram and caption your photo explaining *why* you are grateful for this place. Follow and tag **@RMITCUR** using the hashtag **#MyUrbanFuturesPlace**.

OR email your photo with your caption to cur@rmit.edu.au

Who can enter

The competition is open to Year 10, 11 and 12 Victorian secondary school students over the age of 16 only.
