## \*VILLAWOOD CARE WORKER SUPPORT PROGRAM TERMS & CONDITIONS THE PROMOTION

Increases in Melbourne land prices and land supply constraints have made it increasingly difficult for many care workers to purchase land. This promotion is designed to assist care workers with getting into the market. The Villawood Care Worker Support Program is an acknowledgment of the crucial role that care workers play in caring for our communities. Further, it is a commitment to provide tangible assistance to enable care workers to live in the communities in which they work.

The Care Worker Support Program is designed to assist care workers who would otherwise be unable to afford to purchase land by offering a rebate at settlement to eligible care workers, as outlined in the below Terms and Conditions, inclusive of income threshold requirements.

The Care Worker Support Program commences on 15 February 2019 and expires on 30 June 2022 or such other date as may be nominated by us.

Please read these Terms and Conditions. By making an offer to purchase a lot within a Villawood community under the Villawood Care Worker Support Program you are accepting these Terms and Conditions.

The exclusive release will be a limited release. We may choose to adjust the release allocations from time to time following the release of land. If the exclusive release is sold out then care workers will not be given any priority in the public release. If care workers have not made offers to purchase land within the exclusive release and signed a contract of sale for the purchase of that land within the exclusive release period the land will be listed as available for purchase in the public release.

Individual care workers who:

Only one \$20,000 rebate is available for each lot purchased irrespective of the number of eligible care workers purchasing the lot.
