Langdon®

Terms & Conditions: *Offer applies to the first 10 clients building in Redstone Estate with Langdon. Designer Range Electric Pack Conversion includes LG 3-phase reverse cycle ducted heating and cooling to living areas and bedrooms with 2 zones, in lieu of standard gas ducted heating and evaporative cooling. Three phase power connection up to 10 lineal meters. Rheem 270L HDC-270HP ambiheat heat pump in lieu of standard Rheem gas boosted solar hot water service plus, an Inalto RU9EIB 900mm upright cooker with induction cooktop in lieu of standard Westinghouse upright cooker (Designer) or standard Inalto oven & cooktop (Smart Build). To receive the free upgrade, you must have land in Redstone titling before August 31/2022 and pay a deposit with Langdon by June 30/2022, with a site start up no later than October 31/2022. Langdon reserves the right to withdraw the promotion at any time. CBD-U 50305. © Copyright 2022 Langdon Building Pty Ltd.
