Features and Levels shown on this plan are for general design works only - any critical dimensions required should be measured independently of this plan. Prior to any demolition, excavation or construction on this site the relevant authorities should be contacted to ascertain detailed locations of all existing services and the possible locations of future services.

For site dimensions and easement details please refer to the relevant Certificate of Title.

The position of fencing and other occupation in relation to the title boundaries has been exaggerated for the purposes of clarity and only applies at the natural surface level on the date of the survey and does not show any encroachments that may exist below the natural surface.
