### GENERAL NOTES

This fill plan shows details of works affecting the natural surface of the land, being fill placed on the land to the extent and depth shown on this plan.

The depth of fill is based on the design finished surface as well as survey information provided by Tomkinson Group.

This plan does not show any other fill which may have been placed on the land.

Any grading or spreading to correct minor surface irregularities less than 300mm in depth is not shown.

Depths shown are not recommended foundation depths.
