

GENERAL NOTES

This fill plan shows details of works affecting the natural surface of the land within the subdivision which have been carried out or are proposed to be carried out prior to registration of the plan of subdivision, being fill placed on the land to the extent and depth shown on this plan.

This plan does not show any other fill which may have been placed on the land.

Any grading or spreading to correct minor surface irregularities less than 300mm in depth is not shown.

Depths shown are not recommended foundation depths.
