

# BONUS BATTERY OFFER!

CONGRATULATIONS,  
AS AN AQUAREVO PURCHASER,  
YOU ARE ELIGIBLE TO RECEIVE  
A BONUS 5kWh SONNEN BATTERY!

To receive the battery, you will need to formally lodge a claim by sending an email to [aquarevosolar@villawoodproperties.com](mailto:aquarevosolar@villawoodproperties.com) confirming your interest in the offer and providing the following details:

- ☐ Lot & stage number
- ☐ Purchaser name
- ☐ Purchaser email
- ☐ Confirmation lot was purchased directly from the Aquarevo Discovery Centre
- ☐ Builder name & contact details
- ☐ Intended solar panel supplier
- ☐ Confirmation of acceptance of battery

This claim can be lodged by yourself or by your appointed builder.

## TIMING

Your claim must be lodged either prior to or in conjunction with your application to the Design Assessment Panel (DAP). A copy of your email should also be included as part of your DAP application.

## SPECIFICATIONS

As per the Aquarevo Design Guidelines, you are still required to install a 3kW or greater solar PV panel system, noting the 5kWh Sonnen Eco9.53/5 Solar battery on offer includes an inverter.

It is your responsibility to ensure your chosen solar panels are compatible with the 5kWh Sonnen Eco9.53/5 Solar battery and installed correctly.

## INSTALLATION

Installation of the 5kWh Sonnen battery will need to occur during the build process.

Bristle Roofing is the preferred partner and will supply and install the 5kWh Sonnen battery on Aquarevo's behalf.

Please note Aquarevo is not responsible for connecting third party solar panels to the battery. Bristle are also able to supply and install your solar panels. Please speak your builder about using Bristle or contact 1300 765 276.

## ON A FINAL NOTE

It is important that your builder is aware of the additional requirements related to the battery connection. You can find a copy of these requirements under "Purchaser Information/ Design Guidelines" at [aquarevo.com.au](http://aquarevo.com.au)

Congratulations once again on your decision to purchase at Aquarevo, Villawood's most water and energy efficient community!
