QUIETLY CONVENIENT

Viridia brings together the tranquility of Junortoun with the convenience of a major regional centre.

Start the day with a ride along the O'Keefe Rail Trail or walk the kids to school at Catherine McAuley College. Nearby Strathfieldsaye offers village-style shopping for everyday essentials, including groceries, fresh food, pharmacy, health services and takeaway.

Bendigo CBD is just a short drive from home, with even greater choice in shopping, dining, healthcare, sport and entertainment. Families also benefit from a broad selection of schools, along with TAFE and university pathways.
