- ... EASEMENT

Notes:

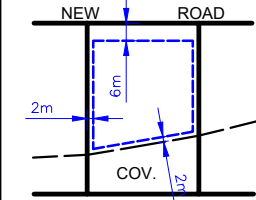

- Final areas are subject to design changes, Council approval and field survey and may differ from those shown on this Disclosure Plan.
- Final presentation of areas will comply with requirements of the Registrar of Titles and may vary from the format on this Disclosure Plan
- The Seller, under the Contract Terms, is entitled to make Variations to the lot, including its location, area, size, dimensions, and elevation. Without limitation, if the area of the Lot on the Plan is not more than 5% different to the total area of the Lot as shown on this Disclosure Plan, the Variation is deemed to be a Permitted Variation and the Buyer cannot object.
- Design contours are approximate only and may change during construction
- Services have been plotted from design information only and may change during construction
- All earthworks fill to lots will be placed and compacted on Level 1 basis in accordance with Australian Standard AS3798-2007 "Guidelines on earthworks for commercial and residential developments".
